Facial & Facial thread veins £150 per session

Pigmented Lesions /

Age Spots From £75 per treatment

CORRECTION TREATMENTS

Skin Tag Removal £100, 30min

'No Knife Facelift'

FaceTite®/NeckTite®

Radiofrequency skin tightening used under the skin on the Jowls, lower face and neck, usually combined with a little liposuction for optimal results. This can be combined with fat transfer to restore lost volume elsewhere on the face and is an excellent, minimally invasive alternative to a surgical facelift.

From £3200

BODY TREATMENTS

Inch Loss & Skin Tightening

A trio of radiofrequency skin tightening, vacuum massage and fat cell killing RF pulse

(Course recommended for optimal results)
